Hello Neeraj,

Can you confirm the credential of the person who has been connecting with you on behalf of Wipro ? Srinivasan is a common name and there could be many employees by this name in the organization – but, there is no one by this name who is a part of our recruitment team.

If you could share some more information on the person who has been in touch with you from Wipro , we will be able to investigate this better. (His photograph, phone number etc) . However, we wish to reiterate that the offer letters that had been shared earlier, are not authorized or issued by Wipro, and are not genuine.

Thanks and Regards,

Talent Acquisition  
Wipro Technologies
